

As part of the Stamford Central School's Digital Learning Initiative, forms for the iPad User Agreement Policy and Protection Plan were mailed home in late September. Students whose parents signed and returned completed forms are now allowed to take the iPads home. If your child has not returned the form, we would ask you to review, sign, and return the form as soon as possible. While the Protection Plan is strongly recommended, it is optional; however, return of the form is required for your student to take the iPad home.

Please sign and return the form that was sent home in September. If you choose to participate in the Protection Plan, please include a check. You may also come to the school's Main Office to submit the form and optional payment. If you need another form, please call the school at 607-652-7301 and one will be sent to you. Students who do not have a form on file will not be able to take an iPad home.

Thank you, and please do not hesitate to call if you have any questions.
