

Seniors: Please return this activity sheet to Mrs. Hitt before the second week of September for your transcript. Colleges will use this information and it will also be used to determine Scholarship eligibility. KEEP A COPY FOR YOURSELF

NAME _____

ADDRESS _____ PHONE: _____

*Major in College _____

*Need this to determine eligibility for various **scholarships** which are received in the office throughout the year.

CIRCLE the grade(s) in which you were a member of each of the following activities. For any activity in which you held an office, place the following abbreviation by the year: **(Grades 7 and 8 do not apply for a transcript for college)**

The coaches and advisors of the following teams and clubs submit a list of their members to the guidance office each year and those names are entered into the computer as a group and they will automatically appear on your transcript.

However, to check for accuracy, please **list the grades** you were in each of the following and list if you were an **officer, capt., or All Star**. If you are missing from a list, I will contact the advisor/coach and double-check. The advisors will only list students who were **actively** involved. If you considered yourself a member, but didn't attend meetings or participate in the club's activities, you will not be considered a member of that club.
