

Student Media Release Form

Dear Parent or Guardian:

Stamford Central School District requests permission to allow your child's photo or likeness, voice, and/or student work to be used for any items published, distributed, or released by the district including but not limited to the following purposes: promotional, instructional and educational publications, posters, brochures, pamphlets, newsletters, newspapers & yearbooks, the District & media web sites, & radio or television broadcasts.

As a parent/guardian you may request that this material not be published, distributed, or released without this prior written consent. If you consent to your child's photo, likeness, etc. being used, no action is required of you. If it is your desire to withhold your consent, we ask that you sign and return this form with the box checked.

This request form will be kept on file. This release form covers only materials directly published, distributed or released by the district, its employees and/or agents. Consequently, the district is not responsible for any other occurrences outside of its control.

An updated request may be submitted at any time during the year, but no claim shall be made to the district that any pre-existing material be destroyed, deleted, or removed.

Please note: A student's name is defined by the district as "directory information" and thus is public information. Consistent with Federal Family Educational Rights and Privacy Act (FERPA) policy personally identifiable "directory information" may be disclosed without the need for prior consent of the student concerned. As a parent, you have the right to request that the district not release any "directory information" about your child. This request may be accommodated by filling out an "Objection to Release of Directory Information Designations" form available at the main office.

If you choose not to give permission, please complete the information below and **return to the main office.**

I do not give permission for my child's photo or likeness, voice, and/or work to be used for the purposes listed above.
